

Winter Holidays in Norfolk

Making Adventure Possible

Our fully accessible self-catering bungalow is warm, comfortable and well placed to discover the pleasures of the Broads in Winter. It is also a good base for exploring further afield in Norfolk.

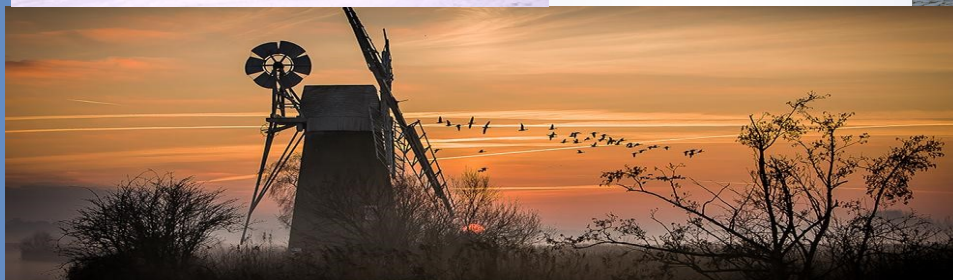

From November to March you can take advantage of our special Winter rate of £20 per person per night. This includes a cruise in one of our heated motor boats. See the Broads at their most beautiful—peaceful waterways, hardly a boat in sight—and a haven for birds and other wildlife

In the village of Neatishead, only 5 minutes walk away, there is a community shop, open daily, and the White Horse Pub and restaurant selling delicious meals. In Wroxham there are more shops and Roy's supermarket and department store.

And within half an hour's drive you can visit the cathedral city of Norwich or walk along the deserted beaches of Mundesley or Winterton

For more information and to book, please ring 01692 630572 or visit our website nancyoldfield.org.uk
