

More information on booking trips on our motor cruisers

What motor boats are available?

- ◆ *White Admiral* is powered electrically, so very quiet, and takes 8 people.
- ◆ *Maureen Kenyon* takes 8 people and has a diesel engine
- ◆ *Nancy Bee II* also has a diesel engine and takes 9 people

What facilities are on the boats?

- ◆ All three boats are spacious and have plenty of room for wheelchairs
- ◆ Each boat has a lift at the stern to allow wheelchair users to access the boats
- ◆ The boats have sliding roofs, so in good weather you can feel the breeze!
- ◆ Each boat has a heater so we can run them all year round!
- ◆ There is a kettle and mugs so you can make a hot drink
- ◆ Each boat has an accessible toilet on board as well as running water

How much does it cost, and how long will the trip last?

- ◆ It is £11 per person and carers go free. There is a minimum charge of £22
- ◆ During the week the boats go out at 10.30am and 1.30pm. Each trip lasts about two hours.
- ◆ We can offer full day and weekend trips but these need to be booked well in advance

Who will be on the boat with me?

- ◆ There will be an experienced skipper on board to drive. There may be an additional volunteer as well: the two of them will ensure your safety and comfort. They will let you have a go at driving as well!
- ◆ The boat is yours for the duration of the cruise. We do not add additional people even if there are only two or three of you on board!
